Item 1.01 Entry into a Definitive Material Agreement.

On February 2, 2024, Arrowroot Acquisition Corp., a Delaware corporation (“*Arrowroot*”), entered into a Non-Redemption Agreement (the “*Non-Redemption Agreement*”) with a certain public stockholder of Arrowroot (the “*Public Stockholder*”) eligible to redeem its shares of the Arrowroot’s Class A common stock (the “*Class A Common Stock*”) at Arrowroot’s special meeting of stockholders held on February 2, 2024 (the “*Extension Special Meeting*”). Pursuant to the Non-Redemption Agreement, the Public Stockholder agreed not to request redemption of 410,456 shares of Class A Common Stock (the “*Non-Redeemed Shares*”) in connection with the Extension Special Meeting. In consideration of the Public Stockholder entering into the Non-Redemption Agreement, immediately following the closing of Arrowroot’s initial business combination, Arrowroot Acquisition LLC, a Delaware limited liability company (the “*Sponsor*”) agreed to forfeit 82,091 shares of Class B common stock (the “*Class B Common Stock*”), or 41,046 shares of Class B Common Stock in the event the initial business combination is consummated in February 2024, (“*Forfeited Shares*”). Pursuant to the terms of the Non-Redemption Agreement, Arrowroot agreed to issue to the Public Stockholder and the Public Stockholder agreed to acquire from Arrowroot, a number of newly-issued shares of common stock promptly following the consummation of Arrowroot’s initial business combination.

The foregoing summary of the Non-Redemption Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the form of Non-Redemption Agreement filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

As disclosed in the definitive proxy statement filed by Arrowroot with the Securities and Exchange Commission (the “*SEC*”) on January 22, 2024 (the “*Extension Proxy Statement*”), relating to the Extension Special Meeting, on February 2, 2024, Arrowroot held the Extension Special Meeting to approve an amendment to Arrowroot’s amended and restated certificate of incorporation, as amended, (the “*Charter Amendment*”) to extend the date (the “*Termination Date*”) by which Arrowroot has to consummate an initial business combination from February 4, 2024 to March 6, 2024 (the “*Charter Extension Date*”) and to allow Arrowroot, without another stockholder vote, to elect to extend the Termination Date to consummate an initial business combination on a monthly basis up to five times by an additional one month each time after the Charter Extension Date, by resolution of Arrowroot’s board of directors, if requested by the Sponsor, and upon five days’ advance notice prior to the applicable Termination Date, until August 6, 2024, unless the closing of an initial business combination shall have occurred prior thereto (the “*Extension Proposal*”). The stockholders of Arrowroot approved the Extension Proposal at the Extension Special Meeting and on February 2, 2024, Arrowroot filed the Charter Amendment with the Delaware Secretary of State.

The foregoing description is qualified in its entirety by reference to the Charter Amendment, a copy of which is attached as Exhibit 3.1 hereto and is incorporated by reference herein.

Item 5.07 Submission of Matters to a Vote of Security Holders.

On February 2, 2024, Arrowroot held the Extension Special Meeting to approve the Extension Proposal and a proposal to approve the adjournment of the Extension Special Meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Extension Proposal (the “*Adjournment Proposal*”), each as more fully described in the Extension Proxy Statement. As there were sufficient votes to approve the Extension Proposal, the Adjournment Proposal was not presented to stockholders.

As of December 8, 2023, the record date of the Extension Special Meeting, there were 4,445,813 shares of Class A Common Stock issued and outstanding, 7,187,500 shares of Class B Common Stock issued and outstanding, and in aggregate, 11,633,313 shares of Class A Common Stock and Class B Common Stock issued and outstanding. Holders of 2,615,792 shares of the Class A Common Stock, 7,027,500 shares of the Class B Common Stock and in aggregate, 9,643,292 shares of the Class A Common Stock and Class B Common Stock of Arrowroot held of record as of the record date were present in person or by proxy, representing approximately 82.9% of the voting power of Arrowroot’s shares of common stock as of the record date for the Extension Special Meeting, and constituting a quorum for the transaction of business.

The voting results for the Extension Proposal were as follows:

The Extension Proposal

Class A Common Stock

For	Against	Abstain
2,386,469	174,323	55,000

Class B Common Stock

For	Against	Abstain
7,027,500	0	0

Class A Common Stock and Class B Common Stock, voting together as a single class

For	Against	Abstain
9,413,969	174,323	55,000

The Adjournment Proposal

Arrowroot had solicited proxies in favor of an Adjournment Proposal which would have given Arrowroot authority to adjourn the Extension Special Meeting to solicit additional proxies. As sufficient shares were voted in favor of the Extension Proposal, this proposal was not voted upon at the Extension Special Meeting.

Certain statements included in this Current Report on Form 8-K that are not historical facts are forward-looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995 with respect to the Business Combination. Forward looking statements generally are accompanied by words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “should,” “would,” “plan,” “predict,” “potential,” “seem,” “seek,” “future,” “outlook,” the negative forms of these words and similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to statements regarding the proposed Business Combination, Arrowroot’s ability to consummate the Business Combination, the benefits of the Business Combination and the combined company’s future financial performance, as well as the combined company’s strategy, future operations, estimated financial position, estimated revenues and losses, projected costs, prospects, plans and objectives of management. These statements are based on various assumptions, whether or not identified in this press release, and on the current expectations of the respective management of iLearningEngines and Arrowroot and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by an investor as, a guarantee, an assurance, a prediction, or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions this press release relies on. Many actual events and circumstances are beyond the control of iLearningEngines and Arrowroot. These forward-looking statements are subject to a number of risks and uncertainties, including (i) changes in domestic and foreign business, market, financial, political, and legal conditions; (ii) the inability of the parties to successfully or timely consummate the Business Combination, including the risk that any regulatory approvals are not obtained, are delayed or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the Business Combination or that the approval of the stockholders of Arrowroot or iLearningEngines is not obtained; (iii) failure to realize the anticipated benefits of the Business Combination; (iv) risks relating to the uncertainty of the projected financial information with respect to iLearningEngines; (v) risks related to the rollout of iLearningEngines’ business and the timing of expected business milestones; (vi) the amount of redemption requests made by Arrowroot’s stockholders; (vii) the ability of Arrowroot or iLearningEngines to issue equity or equity-linked securities or obtain debt financing in connection with the Business Combination or in the future; (viii) the ability to maintain the listing of the combined company’s securities on Nasdaq or another national securities exchange; (ix) the risk that the Business Combination disrupts current plans and operations of iLearningEngines or Arrowroot as a result of the announcement and consummation of the Business Combination; (x) the risk that any of the conditions to closing are not satisfied in the anticipated manner or on the anticipated timeline; (xi) the effects of competition on iLearningEngines future business and the ability of the combined company to grow and manage growth profitably, maintain relationships with customers and suppliers and retain its management and key employees; (xii) risks related to political and macroeconomic uncertainty; (xiii) the outcome of any legal proceedings that may be instituted against iLearningEngines, Arrowroot or any of their respective directors or officers, following the announcement of the Business Combination; (xiv) the impact of the global COVID-19 pandemic on any of the foregoing risks; (xv) any changes to the accounting matters of Arrowroot as a result of guidance from the SEC; and (xvi) those factors discussed in the registration statement under the heading “Risk Factors,” and other documents Arrowroot has filed, or will file, with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither Arrowroot nor iLearningEngines presently know, or that Arrowroot nor iLearningEngines currently believe are immaterial, that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect Arrowroot’s and iLearningEngines’ expectations, plans, or forecasts of future events and views as of the date of this Current Report on Form 8-K. Arrowroot and iLearningEngines anticipate that subsequent events and developments will cause Arrowroot’s and iLearningEngines’ assessments to change. However, while Arrowroot and iLearningEngines may elect to update these forward-looking statements at some point in the future, Arrowroot and iLearningEngines specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing Arrowroot’s and iLearningEngines’ assessments as of any date subsequent to the date of this Current Report on Form 8-K. “(b) Immediately after the Offering, a certain amount of the net offering proceeds received by the Corporation in the Offering (including the proceeds of any exercise of the underwriters’ option to purchase additional securities) and certain other amounts specified in the Corporation’s registration statement on Form S-1, as initially filed with the Securities and Exchange Commission (the “SEC”) on February 11, 2021, as amended (the “**Registration Statement**”), shall be deposited in a trust account (the “**Trust Account**”), established for the benefit of the Public Stockholders (as defined below) pursuant to a trust agreement described in the Registration Statement. Except for the withdrawal of interest to pay taxes, none of the funds held in the Trust Account (including the interest earned on the funds held in the Trust Account) will be released from the Trust Account until the earliest of (i) the completion of the initial Business Combination, (ii) the redemption of 100% of the Offering Shares (as defined below) if the Corporation is unable to complete its initial Business Combination by March 6, 2024 (the “**Deadline Date**”) (or up to August 6, 2024, if applicable under the provisions of Section 9.1(b) below) and (iii) the redemption of Offering Shares in connection with a vote seeking to amend any provisions of this Amended and Restated Certificate relating to stockholders’ rights or pre-initial Business Combination activity (as described in Section 9.7). Holders of shares of the Corporation’s Common Stock included as part of the units sold in the Offering (the “**Offering Shares**”) (whether such Offering Shares were purchased in the Offering or in the secondary market following the Offering and whether or not such holders are the Sponsor or officers or directors of the Corporation, or affiliates of any of the foregoing) are referred to herein as “**Public Stockholders**.” In the event that the Corporation has not consummated an initial Business Combination by the Deadline Date, the Board of Directors may, without another stockholder vote, elect to extend the period of time to consummate a Business Combination on a monthly basis for up to five times by an additional one month each time after March 6, 2024, by resolution of the Board of Directors if requested by the Sponsor, and upon five days’ advance notice prior to the applicable Deadline Date, until August 6, 2024.”

SECOND: Article IX, Section 9.2(d) of the Amended and Restated Certificate is hereby amended in its entirety to read as follows:

“(d) In the event that the Corporation has not consummated an initial Business Combination by the Deadline Date (or up to August 6, 2024, if applicable under the provisions of Section 9.1(b)), the Corporation shall (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter subject to lawfully available funds therefor, redeem 100% of the Offering Shares in consideration of a per-share price, payable in cash, equal to the quotient obtained by dividing (A) the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (which interest shall be net of taxes payable and up to \$100,000 of interest to pay dissolution expenses), by (B) the total number of then outstanding Offering Shares, which redemption will completely extinguish rights of the Public Stockholders (including the right to receive further liquidating distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining stockholders and the Board in accordance with applicable law, dissolve and liquidate, subject in each case to the Corporation’s obligations under the DGCL to provide for claims of creditors and other requirements of applicable law.”

If, in accordance with Section 9.1(a), any amendment is made to Section 9.2(d) to (A) modify the substance or timing of the Corporation’s obligation to redeem 100% of the Offering Shares if the Corporation has not consummated an initial Business Combination by the Deadline Date (or up to August 6, 2024, if applicable under the provisions of Section 9.1(b)), or (B) with respect to any other material provisions herein relating to stockholder’s rights or pre-initial Business Combination activity, the Public Stockholders shall be provided with the opportunity to redeem their Offering Shares upon the approval of any such amendment, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest (net of taxes payable), divided by the number of then outstanding Offering Shares; provided, however, that any such amendment will be voided, and this *Article IX* will remain unchanged, if any stockholders who wish to redeem are unable to redeem due to the Redemption Limitation.”

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Investor, the Company, and the Sponsor, intending to be legally bound, hereby agree as follows:

1. Terms of Non-Redemption; Forfeiture; and Issuance.

1.1. Non-Redemption of Investor Shares; Closing. Upon the terms and subject to the conditions of this Agreement, including the additional conditions set forth in Section 1.2, if (a) as of 5:30 PM, New York time, on the date of the Meeting, the Investor holds the Investor Shares, (b) the Investor does not exercise (or exercised and validly rescinds) its Redemption Rights with respect to all of the Investor Shares in connection with the Meeting, and (c) the Extension Amendment Proposal is approved at the Meeting and implemented by the Company, then, at the Closing (as defined below) the Sponsor shall forfeit for no consideration the Forfeited Shares and the Company shall issue to the Investor the New Shares for no additional consideration. The New Shares shall be issued free and clear of any liens or other encumbrances, other than (x) pursuant to the provisions of the Letter Agreement, (y) restrictions on transfer imposed by the securities laws, and (z) any other agreement relating to the Founder Shares entered into in connection with the proposed business combination (as that term is set forth in the Company's Registration Statement on Form S-4, initially filed with the Securities and Exchange Commission (the "SEC") on September 5, 2023) (which shall be no less favorable or more restrictive than what is agreed to by the Sponsor). The consummation of the forfeiture of the Forfeited Shares by the Sponsor and the issuance of the New Shares by the Company (the "Closing") shall occur promptly following the consummation of the proposed business combination (and in any event no later than two (2) business days after the satisfaction of the conditions set forth in Section 1.2).

1.2. Conditions. The forfeiture of the Forfeited Shares by the Sponsor and the issuance of the New Shares by the Company shall be subject to the conditions that, and shall not be effected unless and until, (i) the proposed business combination is consummated and (ii) the Investor (or its permitted transferees (as provided by the provisions of the Letter Agreement, the "Permitted Transferees")) executes the Joinder (as defined in Section 1.6).

1.3. Adjustment to Share Amounts; Dividends.

- 1.3.1. If, at any time prior to the Closing, the number of outstanding Founder Shares is increased or decreased by a consolidation, combination, split, or reclassification of the Founder Shares or other similar event, then, as of the effective date of such consolidation, combination, split, reclassification, or similar event, all share numbers referenced in this Agreement shall be adjusted in proportion to such increase or decrease in the Founder Shares.
- 1.3.2. If, at any time prior to the Closing, any dividends or distributions are paid on the Founder Shares, (i) effective as of the Closing, the Sponsor hereby forfeits all rights to receive such dividends or other distributions with respect to the Forfeited Shares and (ii) the Investor shall be issued such dividends or other distributions that Investor would have received if Investor had held a number of Founder Shares equal to the Forfeited Shares immediately prior to such event.
- 1.3.3. If, at any time prior to the Closing, there shall occur any reorganization, recapitalization, reclassification, consolidation, or merger involving ARRW in which ARRW's Common Stock is converted into or exchanged for securities, cash, or other property, then, following any such reorganization, recapitalization, reclassification, or merger, in lieu of the New Shares, the Company shall issue to the Investor in lieu of the New Shares the kind and amount of securities, cash, or other property receivable upon such reclassification, reorganization, merger, or consolidation, that Investor would have received if Investor had held the New Shares immediately prior to such event.

1.4. Forfeitures; Transfers; etc. The Investor shall not be subject to forfeiture, surrender, claw-back, transfers, disposals, exchanges, or earn-outs for any reason on the New Shares. The Investor acknowledges that prior to, or at the time of, the proposed business combination, the Sponsor may subject the Founder Shares to earn-outs, forfeitures, transfers, or other restrictions, or amend the terms under which the Founder Shares were issued or any restrictions or other provisions relating to the Founder Shares set forth in the instruments establishing the same (including voting in favor of any such amendment) or enter into any other arrangements with respect to the Founder Shares, and that the Sponsor may effectuate such earn-outs, forfeitures, transfers, restrictions, amendments, or arrangements, including arrangements relating to the relaxation or early release of restrictions, in such amounts and pursuant to such terms as the Sponsor determines in his sole and absolute discretion for any reason. Sponsor acknowledges and agrees that any such earn-outs, forfeitures, transfers, restrictions, amendments, or arrangements shall not apply to the New Shares and the terms and conditions applicable to the New Shares shall not be changed or the number or amount reduced as a result of any such earn-outs, forfeitures, transfers, restrictions, amendments, or arrangements.

1.5. Registration Rights. At the Closing, the Company will grant the Investor registration rights under the Registration Rights Agreement equivalent to the registration rights that the Sponsor has with respect to the Founder Shares, and hereby represents and confirms to the Investor that, upon the Investor's receipt of the New Shares and execution of the Joinder (as defined below), (i) the Investor shall be a "Holder" under the Registration Rights Agreement and (ii) the New Shares shall be "Registrable Securities" under the Registration Rights Agreement.

1.6. Joinder to Letter Agreement and Registration Rights Agreement. At the Closing, the Investor (or its Permitted Transferee) shall execute a joinder to the Letter Agreement and the Registration Rights Agreement in substantially the form attached hereto as Exhibit B (the "Joinder"), pursuant to which (i) the Investor shall agree with ARRW to be bound by the transfer restrictions set forth in, and to be subject to, the provisions of the Letter Agreement solely with respect to the New Shares and (ii) to be bound by the terms and provisions of the Registration Rights Agreement as a "Holder" thereunder with respect to the New Shares (upon acquisition thereof) as "Registrable Securities" thereunder and ARRW hereby agrees to execute the Joinder contemporaneously with the Closing. Notwithstanding anything in this Agreement or the Joinder to the contrary, the Investor shall be released with respect to the New Shares from any transfer or lock-up restrictions under the Letter Agreement or the Registration Rights Agreement to the same proportional extent as any holder of Founder Shares, including the Sponsor, is released from such restrictions.

1.7. Termination. This Agreement and each of the obligations of the undersigned shall terminate on the earlier of (a) the failure of ARRW's stockholders to approve the Extension Amendment Proposal at the Meeting or the determination of the Company not to proceed to effect the Extension, (b) the fulfillment of all obligations of parties hereto, (c) the liquidation or dissolution of ARRW, (d) the mutual written agreement of the parties hereto, or (e) if the Investor exercises its Redemption Rights with respect to any Investor Shares in connection with the Meeting and such Investor Shares are actually redeemed in connection with the Meeting. Notwithstanding any provision in this Agreement to the contrary, the Sponsor's obligation to forfeit the Forfeited Shares and the Company's obligation to issue the New Shares shall be conditioned on (i) the satisfaction of the conditions set forth in Section 1.2, Section 1.5, and Section 1.6 hereof and (ii) the Investor Shares not being redeemed in connection with the Meeting.

2. Representations and Warranties of the Investor. The Investor represents and warrants to, and agrees with, the Sponsor and the Company that:

2.1. No Government Recommendation or Approval. The Investor understands that no federal or state agency has passed upon or made any recommendation or endorsement of the offering of the New Shares.

2.2. Accredited Investor. At the time the Investor was offered the New Shares, it was, and as of the date hereof, the Investor is, an institutional “accredited investor” within the meaning of Rule 501(a)(1), (2), (3), or (7) under the Securities Act of 1933, as amended (the “Securities Act”), or a “qualified institutional buyer” as defined in Rule 144A under the Securities Act, and acknowledges that the offer and sale contemplated hereby are being made in reliance, among other things, on a private placement exemption to “accredited investors” under the Securities Act and similar exemptions under state law.

2.3. Intent. The Investor is acquiring the New Shares solely for investment purposes, for such Investor’s own account (and/or for the account or benefit of its members or affiliates, as permitted), and not with a view to the distribution thereof in violation of the Securities Act and the Investor has no present arrangement to sell the New Shares to or through any person or entity except as may be permitted hereunder.

2.4. Restrictions on Transfer; Trust Account; Redemption Rights.

2.4.1. The Investor acknowledges and agrees that, following their issuance, the New Shares will be subject to the transfer restrictions and certain other restrictions as set forth in the relevant provisions of the Letter Agreement.

2.4.2. The Investor acknowledges and agrees that the New Shares are not entitled to, and have no right, interest, or claim of any kind in or to, any monies held in the Trust Account or distributed as a result of any dissolution or liquidation of ARRW or liquidation of the Trust Account.

2.4.3. The Investor agrees only with ARRW, solely for the benefit of and, notwithstanding anything else herein, enforceable only by ARRW, to waive any right that it may have to elect to have ARRW redeem any Investor Shares and agrees not to redeem or otherwise exercise any right to redeem, the Investor Shares and to reverse and revoke any prior redemption elections made with respect to the Investor Shares, in each case, solely in connection with the Extension Amendment Proposal. For the avoidance of doubt, nothing in this Agreement is intended to restrict or prohibit the Investor’s ability to redeem any Public Shares other than the Investor Shares, or to trade or redeem any Public Shares (other than the Investor Shares) in its discretion and at any time or trade or redeem any Investor Shares in its discretion and at any time after the date of the Meeting.

2.4.4. The Investor acknowledges and understands that (a) the New Shares are being offered in a transaction not involving a public offering in the United States within the meaning of the Securities Act and have not been registered under the Securities Act and, if in the future the Investor decides to offer, resell, pledge, or otherwise transfer New Shares, such New Shares may be offered, resold, pledged, or otherwise transferred only (A) pursuant to an effective registration statement filed under the Securities Act, (B) pursuant to an exemption from registration under Rule 144 promulgated under the Securities Act, if available, or (C) pursuant to any other available exemption from the registration requirements of the Securities Act, and, in each case in accordance with any applicable securities laws of any state or any other jurisdiction and (b) the New Shares may be subject to legends and stop transfer instructions consistent with the foregoing. The Investor agrees that, if any transfer of the New Shares or any interest therein is proposed to be made (other than pursuant to an effective registration statement or Rule 144 under the Securities Act), as a condition precedent to any such transfer, the Investor may be required to deliver to ARRW an opinion of counsel (including internal counsel) satisfactory to ARRW that registration is not required with respect to the New Shares to be transferred. Absent registration or another available exemption from registration, the Investor agrees it will not transfer the New Shares.

2.5. Sophisticated Investor. The Investor is sophisticated in business and financial matters and able to evaluate the risks and benefits of the waiver of Redemption Rights on the terms set forth in this Agreement and the investment in the New Shares.

2.6. Risk of Loss. The Investor is aware that an investment in the New Shares is highly speculative and subject to substantial risks. The Investor is cognizant of and understands the risks related to the acquisition of the New Shares, including those restrictions described or provided for in this Agreement and the Letter Agreement pertaining to transferability. The Investor is able to bear the economic risk of its investment in the New Shares for an indefinite period of time and able to sustain a complete loss of such investment.

2.7. Independent Investigation. The Investor has relied upon an independent investigation of ARRW and has not relied upon any information or representations made by any third parties or upon any oral or written representations or assurances, express or implied, from the Sponsor or any representatives or agents of the Sponsor, other than as set forth in this Agreement. The Investor is familiar with the business, operations and financial condition of ARRW and has had an opportunity to ask questions of, and receive answers from ARRW's management concerning ARRW and the terms and conditions of the proposed sale of the New Shares and has had full access to such other information concerning ARRW as the Investor has requested. The Investor confirms that all documents that it has requested have been made available and that the Investor has been supplied with all of the additional information concerning this investment which the Investor has requested.

2.8. Disclosure of Information. The Investor or its advisor has had an opportunity to receive, review, and understand all information related to the Company requested by it and to ask questions of and receive answers from the Company regarding the Company, its business, and the terms and conditions of the offering of the New Shares, and has conducted and completed its own independent due diligence. Such Investor acknowledges that it has had an opportunity to review ARRW's filings made with the SEC that are available on the SEC's EDGAR system. Based on the information the Investor or its advisor has deemed appropriate, and without reliance on ARRW or the Sponsor or their respective advisors, the Investor has independently made its own analysis and decision to enter into this Agreement. The Investor or its advisor is relying exclusively on its own sources of information, investment analysis and due diligence (including professional advice it deems appropriate), including, but not limited to, all business, legal, regulatory, accounting, credit, and tax matters.

2.9. Organization and Authority. If an entity, the Investor is duly organized and existing under the laws of the jurisdiction in which it was organized and it possesses all requisite power and authority to acquire the New Shares, execute and deliver into this Agreement, and to perform all the obligations required to be performed by the Investor hereunder. If the Investor is a natural person, he or she has all the requisite power and authority and has taken all action necessary in order to execute and deliver this Agreement, to perform his or her obligations hereunder, and to consummate the transactions contemplated hereby.

2.10. Non-U.S. Investor. If the Investor is not a United States person (as defined by Section 7701(a)(30) of the U.S. Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder (collectively, the "Code")), the Investor hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the New Shares or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the acquisition of the New Shares, (ii) any foreign exchange restrictions applicable to such acquisition, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the acquisition, holding, redemption, sale, or transfer of the New Shares. The Investor's subscription and payment for and continued beneficial ownership of the New Shares will not violate any applicable securities or other laws of the Investor's jurisdiction.

2.11. Authority. This Agreement has been validly authorized, executed and delivered by the Investor, assuming due authorization, execution, and delivery by the Company and the Sponsor, is a valid and binding agreement of the Investor enforceable against the Investor in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, moratorium, reorganization, or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies, or by equitable principles of general application and except as enforcement of rights to indemnity and contribution may be limited by federal and state securities laws or principles of public policy.

2.12. No Conflicts. The execution, delivery, and performance of this Agreement and the consummation by the Investor of the transactions contemplated hereby do not and will not (i) result in a violation of the Investor's organizational documents, (ii) violate, conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration, or cancellation of, any agreement or instrument to which the Investor is a party, or (iii) result in a violation of any law, statute, rule, or regulation to which the Investor is subject (including federal and state securities laws), or any order, judgment or decree applicable to Investor, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights, or violations that would not reasonably be expected to prevent the Investor from fulfilling its obligations under this Agreement.

2.13. No Intent to Effect a Change of Control; Ownership. The Investor has no present intent to effect a "change of control" of ARRW, as such term is understood under the rules promulgated pursuant to Section 13(d) of the Exchange Act.

2.14. No Advice from the Sponsor or Company. The Investor has had the opportunity to review this Agreement and the transactions contemplated by this Agreement and the form of Joinder with the Investor's own legal counsel and investment and tax advisors. Except for any statements or representations of the Sponsor and the Company explicitly made in this Agreement, the Investor is relying solely on such counsel and advisors and not on any statements or representations, express or implied, of the Sponsor or the Company or any of its or their representatives or agents for any reason whatsoever, including, without limitation, for legal, tax, or investment advice, with respect to this investment, the Sponsor, ARRW, the New Shares, the transactions contemplated by this Agreement, or the securities laws of any jurisdiction.

2.15. Reliance on Representations and Warranties. The Investor understands that the New Shares are being offered and sold to the Investor in reliance on exemptions from the registration requirements under the Securities Act, and analogous provisions in the laws and regulations of various states, and that the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments, and understandings of the Investor set forth in this Agreement in order to determine the applicability of such provisions.

2.16. No General Solicitation. Assuming the accuracy of the Company's representations and warranties in Section 4.3, the Investor is not subscribing for New Shares as a result of or subsequent to any general solicitation or general advertising within the meaning of Regulation D under the Securities Act, including, but not limited to, any advertisement, article, notice, or other communication published in any newspaper, magazine, or similar media or broadcast over television or radio or any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

2.17. Brokers. No broker, finder, or intermediary has been paid or is entitled to a fee or commission from or by the Investor in connection with the acquisition of the New Shares nor is any person entitled to or will accept any such fee or commission.

2.18. No Other Representations and Warranties; Non-Reliance. Except for the specific representations and warranties contained in this Section 2 and in any certificate or agreement delivered pursuant hereto, the Investor has not made, does not hereby make, and shall not be deemed to have made any other express or implied representation or warranty with respect to the Investor, and the Investor disclaims any such representation or warranty. Except for the specific representations and warranties expressly made by the Sponsor in Section 3 and by the Company in Section 4 of, and elsewhere in, this Agreement and in any certificate or agreement delivered pursuant hereto, the Investor specifically disclaims that it is relying upon any other representations or warranties that may have been made by the Sponsor or the Company.

3. Representations and Warranties of the Sponsor. The Sponsor represents and warrants to, and agrees with, the Investor that:

3.1. Organization and Authority. The Sponsor is a limited liability company duly formed and validly existing and in good standing as a limited liability company under the laws of the State of Delaware and possesses all requisite limited liability company power and authority to enter into this Agreement and to perform all of the obligations required to be performed by the Sponsor hereunder. This Agreement has been duly executed and delivered by the Sponsor and (assuming due authorization, execution, and delivery by the Company and Investor) constitutes the Sponsor's legal, valid, and binding obligation, enforceable against the Sponsor in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, moratorium, reorganization, or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by equitable principles of general application and except as enforcement of rights to indemnity and contribution may be limited by federal and state securities laws or principles of public policy.

3.2. Title to Securities. The Sponsor is the record and beneficial owner of, and has good and marketable title to, the Founder Shares and will, immediately prior to the forfeiture of the Forfeited Shares, be the record and beneficial owner of the Forfeited Shares, in each case, free and clear of all liens, pledges, security interests, charges, claims, encumbrances, agreements, options, voting trusts, proxies and other arrangements or restrictions of any kind (other than transfer restrictions and other terms and conditions that apply to the Founder Shares generally and applicable securities laws).

3.3. No Conflicts. The execution, delivery, and performance of this Agreement and the consummation by the Sponsor of the transactions contemplated hereby do not violate, conflict with or constitute a default under (i) any agreement or instrument to which the Sponsor is a party or by which it is bound with respect to the Founder Shares (including the Letter Agreement) or (ii) any law, statute, rule, or regulation to which the Sponsor is subject or any order, judgment, or decree to which the Sponsor is subject, except, in each case, for such conflicts, defaults or violations that would not reasonably be expected to prevent the Sponsor from fulfilling its obligations under this Agreement. The Sponsor is not required under federal, state, or local law, rule, or regulation to obtain any consent, authorization, or order of, or make any filing or registration with, any court or governmental agency or self-regulatory entity in order for it to perform any of its obligations under this Agreement, including the forfeiture of the Forfeited Shares, in accordance with the terms hereof.

3.4. Transfer Restrictions. Until termination of this Agreement, the Sponsor shall not transfer any of the Forfeited Shares or any interest therein or right referencing or related thereto other than any transfer in connection with a proposed business combination as contemplated by this Agreement.

3.5. Reliance on Representations and Warranties. The Sponsor understands and acknowledges that the Investor is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments, and understandings of the Sponsor set forth in this Agreement.

3.6. No Pending Actions. There is no action pending against the Sponsor or, to the Sponsor's knowledge, threatened against the Sponsor or, before any court, arbitrator, or governmental authority, that, in any manner, challenges or seeks to prevent, enjoin, or materially delay the performance by the Sponsor of its obligations under this Agreement.

3.7. No Other Representations and Warranties. Except for the specific representations and warranties expressly contained in this Section 3 and elsewhere in this Agreement and in any certificate or agreement delivered pursuant hereto, the Sponsor has not made, does not hereby make and shall not be deemed to make any other express or implied representation or warranty with respect to the Sponsor, the Meeting, the Extension Amendment Proposal, the forfeiture by the Sponsor of the Forfeited Shares or the issuance by the Company of the New Shares hereunder, and the Sponsor disclaims any such representation or warranty.

4. Representations and Warranties of the Company. The Company represents and warrants to, and agrees with, the Investor that:

5. Additional Investor Covenants.

5.1. Voting. The Investor agrees only with ARRW, solely for the benefit of and, notwithstanding anything else herein, enforceable only by ARRW, that, unless otherwise advised, it will vote all Investor Shares owned, as of the applicable record date, by it at the Meeting in favor of the Extension Amendment Proposal and cause all such shares to be counted as present at the Meeting for purposes of establishing a quorum.

5.2. No Borrowing. 7. Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York, without giving effect to its principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of the laws of another jurisdiction. The parties hereto hereby waive any right to a jury trial in connection with any litigation pursuant to this Agreement and the transactions contemplated hereby. With respect to any suit, action, or proceeding relating to the transactions contemplated hereby, the undersigned irrevocably submit to the exclusive jurisdiction of the United States District Court or, if such court does not have jurisdiction, the New York state courts located in the Borough of Manhattan, State of New York.

8. Assignment; Entire Agreement; Amendment.

8.3. Amendment. Except as expressly provided in this Agreement, neither this Agreement nor any term hereof may be amended, waived, discharged, or terminated other than by a written instrument signed by the party against whom enforcement of any such amendment, waiver, discharge, or termination is sought.

8.4. Binding upon Successors. This Agreement shall be binding upon and inure to the benefit of the parties hereto and to their respective heirs, legal representatives, successors and permitted assigns.

Unless otherwise provided herein, any notice or other communication to a party hereunder shall be sufficiently given if in writing and personally delivered, sent by email or other electronic transmission, provided that the sender does not receive a bounce-back reply of non-delivery, sent by courier (which for all purposes of this Agreement shall include Federal Express or another recognized overnight courier) or mailed to said party by certified mail, return receipt requested, postage prepaid, at its address provided for herein or such other address as either may designate for itself in such notice to the other. Communications shall be deemed to have been received when delivered personally, on the scheduled arrival date when sent by next day or second-day courier service, or if sent by mail, then three days after deposit in the mail. If given by electronic transmission, such notice shall be deemed to be delivered (a) if by electronic mail, when directed to an electronic mail address at which the party has provided to receive notice and (b) if by any other form of electronic transmission, when directed to such party.

10. Counterparts. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. Counterparts may be delivered via electronic mail (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docuSign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

11. Survival; Severability.

11.1. Survival. The representations, warranties, covenants, and agreements of the parties hereto shall survive the closing of the transactions contemplated hereby.

11.2. Severability. In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable, or void, this Agreement shall continue in full force and effect without said provision; provided that no such severability shall be effective if it materially changes the economic benefit of this Agreement to any party.

12. Headings. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

13. Disclosure; Waiver. In connection with the entry into this Agreement, ARRW will file all required disclosures required to comply with the rules and guidance promulgated by the SEC with respect to the Rule 14e-5 prohibition of purchases outside a tender offer, including, but not limited to, all requirements set forth in Compliance and Disclosure Interpretation 166.01 and (to the extent that it has not already filed) a Current Report on Form 8-K under the Exchange Act reporting, to the extent not previously publicly disclosed, the material terms of this Agreement. Such Form 8-K shall disclose that the counter-party to this Agreement intends to purchase Public Shares on the open market and that such purchase will be made at or below the Redemption Price and that such parties shall not vote such purchased shares in favor of the Extension. The parties to this Agreement shall cooperate with one another to assure that such disclosure is accurate. ARRW agrees that the name of the Investor shall not be included in any public disclosures related to this Agreement unless required by applicable law, rule, regulation, or stock exchange rule. The Investor (i) acknowledges that the Sponsor may possess or have access to material non-public information which has not been communicated to the Investor; (ii) hereby waives any and all claims, whether at law, in equity or otherwise, that he, she, or it may now have or may hereafter acquire, whether presently known or unknown, against the Sponsor or any of ARRW's officers, directors, employees, agents, affiliates, subsidiaries, successors or assigns relating to any failure to disclose any non-public information in connection with the transaction contemplated by this Agreement, including any potential business combination involving ARRW, including, without limitation, any claims arising under Rule 10b-5 of the Exchange Act; and (iii) is aware that the Sponsor and Company are relying on the truth of the representations set forth in Section 2 of this Agreement and the foregoing acknowledgement and waiver in this Section 13, in connection with the transactions contemplated by this Agreement. ARRW shall, by 9:30 a.m., New York City time, on the first business day immediately following the date of the Meeting, issue one or more press releases or file with the SEC a Current Report on Form 8-K (collectively, the "Disclosure Document") disclosing, to the extent not previously publicly disclosed, all material terms of the transactions contemplated hereby and any other material, nonpublic information that ARRW has provided to Investor at any time prior to the filing of the Disclosure Document. Upon the issuance of the Disclosure Document or the initial Form 8-K referred to in the first sentence of this Section 13, to ARRW's knowledge, Investor shall not be in possession of any material, nonpublic information received from ARRW or any of its officers, directors, or employees.

14. Independent Nature of Rights and Obligations. Nothing contained herein, and no action taken by any party pursuant hereto, shall be deemed to constitute the Investor and the Sponsor as, and the Sponsor acknowledges that the Investor and the Sponsor do not so constitute, a partnership, a limited partnership, a syndicate, an association, a joint venture or any other kind of entity, including, but not limited to, for the purpose of acquiring, holding, or disposing of securities of ARRW, or create a presumption that the Investor and the Sponsor are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement or any matters, and the Sponsor acknowledges that the Investor and the Sponsor are not acting in concert or as a group, and the Sponsor shall not assert any such claim, with respect to such obligations or the transactions contemplated by this Agreement.

15. Most Favored Nation. In the event the Sponsor or ARRW has entered into or enters one or more other non-redemption agreements before or after the execution of this Agreement in connection with the Meeting, the Sponsor and ARRW represent that the terms of such other agreements are not materially more favorable in the aggregate to such other investors thereunder than the terms of this Agreement are in respect of the Investor. For the avoidance of doubt, the Sponsor and ARRW hereby acknowledge and agree that a ratio of Investor Shares to New Shares in any such other non-redemption agreement that is more favorable to any other investor party to such other agreement than such ratio in this Agreement is to Investor would be materially more favorable to such other investor. In the event that another investor is afforded any such more favorable terms than the Investor, the Sponsor shall promptly inform the Investor of such more favorable terms in writing (email being sufficient), and the Investor shall have the right to elect to have such more favorable terms included herein, in which case the parties hereto shall promptly amend this Agreement to effect the same.
